Dear Frederick Gaskins,

Thank you for being a partner of the Capital Area Food Bank! Our network is varied and robust and whether you are a large social services organization, hot meals program, or a small faith based pantry, your contribution makes a big difference!

Each year we take a moment to review what we have done together and acknowledge that accomplishment. The attached, "Benefits of Partnership" document is meant to highlight the impact your organization has made in the community over the last year. We hope this information is useful to show your volunteers, board members, potential donors the food you have supplied the community through your work with the Capital Area Food Bank.

Accompanying this document you will find a reminder of your annual membership dues and your invoice as of the week of 1/23/17. We hope this reminder *helps* you manage your account; if you have questions please *reach* out to Nelcina Veira, Staff Accountant (202)644-9872. All statements are available on the CAFB website where you order your food.

Seeing the work you do in the community is both uplifting and a testament to the generosity of the human spirit. It's an honor to work with you!

Most Sincerely,

Susan Topping  
Sr. Director of Partners and Programs
