

# *In Appreciation*

## *Bethel Stand for Life Outreach Ministries*

November 26, 2020

As Mayor of Washington, DC, it is my distinct pleasure to extend my appreciation to Bethel Stand for Life Outreach Ministries.

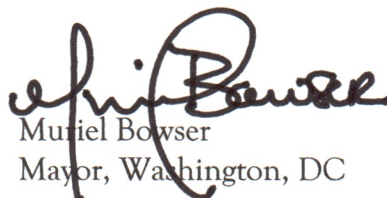

Bethel Stand for Life Outreach Ministries is committed to community outreach and service by providing meals for individuals and families in need. For several years, Bethel Stand for Life Outreach Ministries has offered healthy, nutritious food at no cost to residents of the Washington, DC community who are in need, especially during the Thanksgiving holiday season.

Through three branches of their outreach ministries, including Bethel Deliverance Outreach, Feed My Sheep, and the Carver Terrace Family Community Fellowship, Bethel Stand for Life Outreach Ministries has helped to organize food distribution and provided meals for individuals and families while always treating members of our community with the highest level of dignity and respect.

I applaud Bethel Stand for Life Outreach Ministries and their invaluable partners, including Mt. Zion Commandment Ministries, Temple Hills Church of God, New Beginning in Christ, Integrity Enterprise, Women With No Limits, The Stones House, The Fire House Ministries, God's Purpose Ministries, Holy Trinity, Washington Baptist Seminary, Life Ministry Foundation, Inc., and Liberty Christian Church International Family and Friends for helping to distribute meals at the Men's Shelter of Washington, DC this Thanksgiving Day.

On behalf of the 706,000 residents of Washington, DC, I thank Bethel Stand for Life Outreach Ministries for your dedication to community outreach and enhancing the lives of others.

  
Muriel Bowser  
Mayor, Washington, DC
